RE: Glen Morrison

I carry out a personal injury practice which, on average, consists of 140 files on an ongoing basis. I have been practising in Surrey for the past 8 years.

Over the past 8 years, I have been canvassed by a number of private investigators / independent adjusters. I have used approximately 6 different people during that time, including Mr. Morrison. I began to rely upon Mr. Morrison's services approximately 2 years ago.

I no longer use any other investigative services other than Mr. Morrison. He bills responsibly, and does outstanding work. His ability to find people is exceptional.

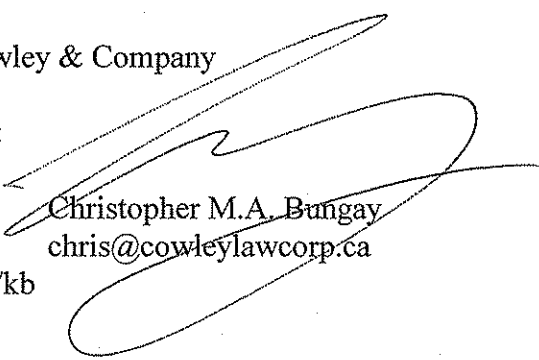

I would highly recommend him for any type of investigative work in any area of law.

Should you have any questions please feel free to contact me.

Yours truly,

Cowley & Company
