To whom it may concern

Re: Glen Morrison

I write this letter as a reference for Mr. Glen Morrison, private investigator.

I have used Mr. Morrison's services in my capacity as a lawyer. I have found Mr. Morrison to be prompt, effective, efficient and personable. I have also found him to have the ability to "think outside the box" on matters for which I used his investigative services. Mr. Morrison will make recommendations or suggestions in the context of his retainer that are often thoughtful and may assist in reaching the ultimate goal I have on a particular file.

Mr. Morrison was discrete in his dealings with me and on the matter for which he was retained. He was also able to get the job done in a timely manner.

If you have any questions regarding the contents of this letter please do not hesitate to contact me.

Yours truly,
